**“Promoting Safe Snowmobiling Since 1970”**

*Press Release: January 24, 2012*

**The Ilion Snowdrifters Inc. would like to express their appreciation to the following businesses in our area that made our 2nd annual “Flats on the Hill” Drag Races a Huge success. The week before the event was scheduled to take place we had little to no snow on our race track, through the efforts of the following we trucked in snow and built a fantastic 1500’ Drag Strip that 412 competitors raced on Saturday, January 21, 2012. With out their help our annual fund raising event would have been canceled this year. Abdo Sheet Metal, BlackJack Racing, Bowen’s Power Sports, Inserra Carpets, Floors by Don, Kings Electric, T&A Fuel Co., Mid Valley Auto Parts, TP Brake and Muffler, Donahue Trucking, Dale Johnson Excavating, Modern Concrete and Paving, Tioga Construction Co., Larry Del Grego & Sons Quality Gun Repair, The Cedarville Ambulance Crew, and a host of Club members who volunteered, the Racers and the Spectators who braved the cold to see some great racing, we Thank You!**

**Pat Deyle, President**

**Bruce Morgan, Vice President and Race Organizer**
